What a pity she doesn't know Resinol Soap would improve her complexion Remarks like the above are passed

about many girls whose appearance would be most attractive were it not for a poor skin. RESINOL SOAP is just what such girls need to help in overcoming their complexion difficulties. It does more than remove dirt-it gets right after those clogged pores, and excessive oiliness, and it benefits the skin cells. When a little Resinol Ointment is used in connection with Resinol Soap, relief is hastened, and unless the trouble is due to some internal disorder, the complexion is usually cleared in a short time.

RESINOL SHAVING STICK is very popular with men who like the way the Resinol in it soothes the face.
